**We move energy so others
can move forward**

An aerial photograph of Paris, France, taken during the 'blue hour' or sunset. The Eiffel Tower stands prominently in the center, its lights beginning to glow. The city's dense urban landscape is visible, with numerous buildings and streets illuminated by the warm, orange and yellow light of the setting sun. The sky is filled with soft, wispy clouds, creating a dramatic backdrop. In the bottom right corner, the GASSCO logo is visible, consisting of a stylized double arrow icon followed by the word 'GASSCO' in a bold, sans-serif font.

Millions of Europeans
rely on our expertise
every day.

A young girl with long brown hair is looking out of a train window. Her reflection is visible in the glass, creating a symmetrical image. The background outside the window shows a blurred landscape of fields and trees, suggesting the train is in motion. The lighting is soft, and the overall mood is contemplative.

Gassco's vision

Energy for future generations
